Residents cross a wooden bridge in a densely populated settlement in Tambaklorok, Semarang, Central Java, on Monday. Central Java Governor Ahmad Luthfi and his deputy, Taj Yassin, are seeking to accelerate their infrastructure development programs in 35 regencies and cities in the province. The program, called “Satu Kartu Keluarga, Satu Rumah Layak Huni” (One Family Card, One Livable House), is aimed at increasing the quality of life of low-income families.
